BEFORE THE PLANNING COMMISSION  
OF THE COUNTY OF SANTA CRUZ, STATE OF CALIFORNIA  

RESOLUTION NO. 2019-04  

On the motion of Commissioner - Guth,  
duly seconded by Commissioner - Shaffer-Freitas  
the following is adopted:  

PLANNING COMMISSION RESOLUTION FINDING  
THAT THE DISPOSITION OF PROPERTY LOCATED AT 614 34TH AVE, SANTA CRUZ, CA 95062 (APN 032-075-20) IS IN CONFORMITY WITH THE SANTA CRUZ COUNTY GENERAL PLAN  

WHEREAS, on June 12, 2018, the Board of Supervisors directed County Department of Public Works staff to work with County Counsel to determine development restriction parameters for APN 032-075-20, and directed County Real Property staff to prepare necessary documentation for consideration by the Board of Supervisors for potential disposition of this parcel as surplus property, consistent with Santa Cruz County Code section 2.14.040; and  

WHEREAS, Santa Cruz County Code section 2.14.040(B) requires the Director of Public Works to submit a request to the Planning Director for a determination by the Planning Commission as to whether the disposition of the surplus County property is in conformity with the County General Plan pursuant to section 65402 of the Government Code; and  

WHEREAS, State Government Code section 65402 stipulates that prior to the disposition of real property by a government agency, the location, purpose and extent of such disposition must be submitted to and reported upon by the planning agency of the jurisdiction in which said property is located as to conformity with the adopted General Plan of the local jurisdiction; and  

WHEREAS, the Planning Commission has reviewed and considered the staff report and testimony at a regular meeting on March 27, 2019; and  

WHEREAS, the Planning Commission makes the finding that the disposition of the property, subject to development restrictions related to drainage, flood and riparian functions, as reviewed and discussed by the Planning Commission at the March 27, 2019 meeting and as reflected in Table 1 attached as Attachment 1, is consistent with the adopted goals, objectives, and policies of the Santa Cruz County General Plan.  

Exhibit B
NOW, THEREFORE, BE IT RESOLVED that the Santa Cruz County Planning Commission does hereby find that the disposition of the property located at 614 34th Ave; Santa Cruz, CA 95062 (APN 032-075-20) is in conformity with the Santa Cruz County General Plan.

| **Development Restrictions** | The property owner shall not be allowed to improve the property with any kind of development, including the construction of habitable or inhabitable structures or storage buildings, with the exception of the following: sensitive habitat restoration, bridge improvements as outlined below, and the development of an access driveway. Any access driveway shall be designed per the Department of Public Works Design Criteria, Part 6, Driveway and Encroachments section, in a manner that would minimize the amount of new impermeable surface area on the site, including the use of permeable materials such as concrete grass pavers or gravel. Any such development must be consistent with County flood regulations and is subject to approval by the County Environmental Planning Division. |
| **Storage Restrictions** | The property owner shall not be allowed to store any materials on the property, including yard debris, landscape materials or trash receptacles. |
| **Maintenance and Emergency Flood Control Use Requirements** | The property owner shall use and maintain the property in a manner that provides clear and open access to the Moran Creek channel and drain pipe for ongoing County maintenance activities and emergency flood control use by County personnel, vehicles, and equipment. |
| **Environmental Protections** | The property owner shall use and maintain the property in a manner that preserves the property's environmental value as open space and a riparian corridor and supports potential restoration of degraded sensitive habitat, as outlined below. |
| **Sensitive Habitat Restoration** | When development occurs, as allowed by this Declaration of Restrictions limited to bridge improvements and an access driveway, restoration of degraded sensitive habitat areas, including the portion of the Moran Creek riparian corridor that crosses the property, shall be required. The property owner shall prepare a restoration plan subject to approval by the County Environmental Planning Division. |
| **Future Bridge Improvements** | Improvements to the existing bridge over Moran Creek or removal and of the existing bridge and replacement with a new bridge, shall reduce the existing impacts to the Moran Creek floodway. The property owner shall prepare a hydrological study to identify the extent of the Moran Creek floodway, develop base flood elevations in compliance with federal, state, and County regulations, |
and determine any necessary improvements, up to and including replacement of
the bridge, to decrease or eliminate floodwater displacement and support
potential restoration of degraded sensitive habitat, as outlined above. The
hydrological study would be subject to approval by the County Environmental
Planning Division. In no case will more than one crossing of the riparian corridor
be allowed.

| The County shall reserve a Conservation Easement over the entire property, as well as a flood control and access easement across the entire property. The easement shall:
| a) Reserve rights to access, document and perform activities on the entire property for purposes of conservation, enhancement and restoration of riparian habitat and environmental resource management, by County of Santa Cruz staff or others providing services on behalf of the County of Santa Cruz;
| b) Acknowledge the existing flood conditions and flood control function of the site and allow floodwater to inundate the entire property;
| a) Allow County personnel, vehicles, and equipment to access the bridge over Moran Creek and the entire property to perform ongoing and emergency maintenance to the open drainage channel and drain pipe. |
| Condition Subsequent                                  |
| The County shall put in place a reverter that will allow the County to take back the property if the restrictions are violated. |
