KATIE STUART
Project Manager, Jayson Architecture
Architect, LEED Accredited Professional, BD+C
In June 2016, voters approved Measure S: a $67 million bond for facilities work throughout the Santa Cruz Public Library system.

Original project budget: $500k

New budget: $1.66mil

Funds obtained through this measure will help provide more space to support programs for community members of all ages.

1. What words would you use to describe the current library?

2. What are your favorite things about the current library?

3. What are the most critical deficiencies of the current library?

4. How would you like to use the outdoor patio?

5. What is one improvement that would increase your library use?

6. What do you like or dislike about the design presented tonight?
