APTOS VILLAGE IMPROVEMENTS PHASE 2B

TRAFFIC SIGNAL TO BE POWERED ON

The County of Santa Cruz Department of Public Works has announced that the recently installed traffic signal, located at the intersection of Soquel Drive and Aptos Creek Road, will begin full operation on Tuesday, March 30, 2021. Motorists, bicyclists, and pedestrians are advised that the signal will remain in continuous operation from this date forward. Traffic delays may be experienced during the signal power up operation and the Department of Public Works would like the motoring public to avoid this area if possible. The schedule is subject to change due to weather or other conditions. Please visit aptosvillageimprovement.blogspot.com for the latest project information.
