SANITATION WORK – SEACLIFF DRIVE

John J. Presleigh, District Engineer of the Santa Cruz County Sanitation District, has announced that Seacliff Drive, from and including the intersection with Sea Terrace Way and continuing east 400 feet along Seacliff Drive, will be subject to traffic delays with potential lane closures between the hours of 8:30 am and 4:30 pm, from Monday, November 6, 2017, through Friday, December 1, 2017, weather permitting.

These delays and lane closures are necessary for sanitary sewer improvements. The Santa Cruz County Sanitation District would like the motoring public to be prepared for delays during these times. Questions may be directed to Marcella Bailey at (831) 454-2803. For up-to-date information on county maintained roads in Santa Cruz County, please visit: <http://www.sccroadclosure.org/>.
