—CONSTRUCTION NOTICE— CSA 2—PLACE DE MER SEPTIC SYSTEM PROJECT

TENTATIVE CONSTRUCTION SCHEDULE

Estimated Start Date: December 13, 2021

Estimated Completion: February 2022

Typical Working Hours: 7:30 AM to 5:00 PM Monday through Friday (Weekend requests as approved by the Department of Public Works Director)

SCOPE OF WORK

The project involves the replacement of sewer mains, construction of force mains, installation of an enhanced treatment system, wet well improvements and abandonment of existing septic tanks.

AFFECTED STREETS

See attached Vicinity Map

WHAT TO EXPECT

At times during the project, residents in the area should expect noise, dust, temporary traffic control and associated traffic delays. Access to driveways may be temporarily blocked during construction. In addition, sewer service to properties in these areas may be temporarily interrupted during working hours.

Residents in the affected construction areas will be given advanced notice prior to any work impacting their driveways or sewer service. For up to date project information, please use the following link:
