

# SANTA CRUZ COUNTY SANITATION DISTRICT

## CONTRACTORS ELIGIBLE TO DO ROAD OPENINGS

The following contractors have been cleared by the Sanitation District to perform openings for installation/repair of sewer laterals under the blanket encroachment permit issued by the County Public Works Department; **provided that their insurance coverage is current.** This list is not intended to refer a particular contractor or provide any endorsement. It is the property owner's responsibility to evaluate and select a contractor.

Contractors holding the following classification are properly licensed to install/repair building sewers:

1. General Engineering (A)
2. Plumbing (C-36) - A Contractor already on the Open Road with a C36 license will be allowed to work in the County Right of Way until March 2022; a C34 or C42 license will be required after that point to remain on the Open Road List.
3. Sanitation System (C-42)
4. Pipeline (C-34)
5. General Building Contractors (B) may legally enter into contracts for this work if it is a part of a larger project that falls under the provisions of Business & Professions Code Section 7057.
