Attention: Rachel Lather

Subject: Boulder Creek Sewage Treatment Plant Upgrade

Dear Ms. Lather:

Due to our current workload, we will not be able to give the Boulder Creek Sewage Treatment Plant Upgrade Design the staffing and attention necessary for a smoothly run and successful project. Therefore, we will not be submitting a proposal for the Treatment Plant Upgrade Design.

We apologize for any inconvenience, and hope our withdrawal does not adversely affect the selection process or the project.

Sincerely yours,

Weber, Hayes and Associates
